

THE DOUBLE CROSS SYSTEM

The origin of the Union Jack conspiracy is its mockery of Christ in Rev. 1:8. It is made up of two outstanding crosses. X is Alpha. + is Omega. This is what Christ called Himself. It represents a Satanic conspiracy to control the world with a pseudo-Christianity.

Double Cross with a satanic judaeo-masonic obelisk at the center. St Peters Rome. The Vatican II "Popes" have given Holy Mass facing this obelisk, a blasphemy indeed.

THE DOUBLE-CROSS SYSTEM

The eight spokes (or double cross) emanating from the obelisk in St. Peter's square likely represent the eight divisions of the solar calendar: solstices, equinoxes and quarter cross days. The obelisk originated in Heliopolis, Egypt, the home of the occult Hermetic tradition which St. Augustine preached against.
